

Afsha Ali

Project Manager at Aedis Architects

Summary

I am passionate about my profession. I believe architecture is perfect mode of providing positive impact on peoples lives. It is rewarding to watch vision, ideas come alive.

I would like to contribute towards the buildings that respect the user, the environment and flexible to adapt continuously evolving future needs.

Experience

Project Manager at Aedis Architects

January 2014 - Present

Excited for my first LEED school building. Two story high, 22,000 SF New Music Building in existing campus at Saratoga HS is starting with the construction.

Currently working on Two story classroom and Administration, 52, 000 SF building at Fremont HS.

Construction is scheduled for summer 2017. Also working on classroom conversion at San Mateo Foster City school District for STEM/STEAM improvements. Construction starts summer 2016.

Assistant Project Manager

January 2008 - December 2013 (5 years 11 months)

Active participation in Programming, Planning and Designing for K-12 projects. Worked on various projects including Classroom Buildings, Sports Complex, Gymnasium, Library, Performing Art Center, Cafeteria , Mixed used and Recreational centers from Programming though approval from various agencies including Division of State Architect.

LEED accredited professional, committed to sustainability. Also involved in CHPS certified projects.

Designer

March 2004 - May 2007 (3 years 2 months)

High End Residential and Retail projects involving New Construction as well as Modernization. Active involvement in the approval process with different agencies.

Intern

January 2002 - February 2004 (2 years 1 month)
